1. The race groupings used in this table reflect all racial identities reported by respondents. Thus, an individual who identifies him or herself as multiracial may be counted more than once. For example, someone who self-identifies as "Asian and Black or Africa-American" will be counted in both the "Black" and "Asian" categories above.

2. Civilians who Declined to Respond are included in "Unknown."

3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.

Rows and columns may not add to totals due to rounding.

1. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial are counted in the "two or more" category.

2. The Army does not report data on the number of active duty enlisted personnel in either the NHPI or "Two or more" category. Caution should be used in comparing the racial composition of the Army's enlisted force with those of the other Services.

3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.

Rows and columns may not add to totals due to rounding.

1. Tier 1 indicates individuals with at least a high school diploma. Tier 2 indicates alternate high school credentials, such as the
   General Educational Development certificate (GED). Tier 3 represents non-high school graduates.
2. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial
   are counted in the "two or more" category.
3. The Army does not report data on the number of active duty enlisted personnel in either the NHPI or "Two or more" category. Caution should be
   used in comparing the racial composition of the Army's enlisted force with those of the other Services.
4. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.
5. Civilian numbers and percentages combine Tiers 1 and 2.
   Rows and columns may not add to totals due to rounding.

1. Although women do not serve in infantry positions, they do serve in other positions, such as gun crews, air crews, and seamanship specialties, which are part of the "infantry" area.
2. Non-occupational includes students, patients, those with unassigned duties, and unknowns.
3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.
4. The Army does not report data on the number of active duty enlisted personnel in either the NHPI or "Two or more" category. Caution should be used in comparing the racial composition of the Army's enlisted force with those of the other Services.
5. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial are counted in the "two or more" category.

Rows or columns may not add to totals due to rounding.

1. Calculations do not include 885 White, 36 Black, 4 AIAN, 10 Asian, 2 NHPI, 7 multiple race, and 31 unknowns.
   The total is 975 (19 Hispanic and non-Hispanic) O-6 officers classified as general officers by the services.
   The "General Officer" category is officially called "General Officers and Executives, N.E.C." It includes "...all directors, planners and executives not elsewhere classified, and all Marine Corps full Colonels."
2. Non-occupational includes patients, students, those with unassigned duties, and unknowns.
3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.
4. The Army does not report data on the number of active duty officers in either the NHPI or "Two or more" category. Caution should be used in comparing the racial composition of the Army's officer corps with those of the other Services.
5. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial are counted in the "two or more" category.

1. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial are counted in the "two or more" category.

2. The Army does not report data on the number of active duty enlisted personnel in either the NHPI or "Two or more" category. Caution should be used in comparing the racial composition of the Army's enlisted force with those of the other Services.

3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question. Rows and columns may not add to totals due to rounding.

1. The race groupings used in this table reflect the number of individuals who indicate a single racial identity. Individuals who self-identify as multiracial are counted in the "two or more" category.

2. The Army does not report data on the number of active duty officers in either the NHPI or "Two or more" category. Caution should be used in comparing the racial composition of the Army's officer corps with those of the other Services.

3. Includes individuals who indicated non-Hispanic ethnicity or did not respond to the ethnicity question.

Rows and columns may not add to totals due to rounding.
