MEMORANDUM FOR: ASSISTANT SECRETARY OF THE AIR FORCE
(MANPOWER AND RESERVE AFFAIRS)

SUBJECT: Department of the Air Force Demand Reduction and Prevention
Program

I have reviewed your memorandum dated August 09, 2004 describing the Department of the Air Force approach to implementing the 100 percent testing requirement, as reflected in the ASD(SO/LIC) memorandum dated October 01, 2003.

Your approach to use unit sweeps, gate checks, and "Smart Testing" to achieve the 100 percent testing goal is within the intent of the October 01, 2003 guidance. Execution of this testing program must remain within current program budget controls.

I appreciate your support of the demand reduction program. My point of contact for this action is COL Ron Shippee, USA, PR&A at 703-697-5607, ronald.shippee@osd.mil.
