

will be surveyed about reasons that might influence decision to extend military service, first and last name, rank, type of behavioral health provider, date left service (if former provider), mailing address, e-mail address, phone number (home and cell), and installation/last installation.

The survey will be distributed for completion on the Web via e-mail. For individuals where a valid e-mail address cannot be found, a paper copy of the survey with a prepaid return envelope will be mailed.

The methodology, results, and recommendations will be summarized via a report for TMA. Policy recommendations will include suggestions of methods to incentivize service members to remain in service.
